For President, L. F. Board.

Mysore District.

current year. But the Municipal Boards having considered it advisable to defer giving effect to the Government order for sometime longer as the places in question were visited with Plague very recently. No provision is made in the budgets of the above named four Municipalities for the year 1902-1903. This is the chief reason for the decrease under this head. On the other hand the increase entered in the budgets of Hunsur Chamarajnagar, Nanjangud and Saligram is due to the heavy traffic in goods subject to octroi duty.

2. II and VII House and Mohatarfa taxes - The total income under these two heads for the year 1902-1903 is estimated at Rs 20832 against

against Rs. 21562 resulting in a decrease of Rs 730. The decrease both in Shops and carts in the Municipalities of Gundlupet and T. Narsipur and in carts alone in the Municipalities of Sosale, Periapatna, Bannur and Tallad account for the said decrease.

In Sosale there is increase under carts

VIII Rents:— The income under this head has been raised from Rs 73 to 97, a new estimate of Rs 24 having been entered in the budget of Chamarajnagar.

4. IX Fines:— The Municipal Board of Nanjangud expects an increase of income under this head; a provision of Rs 60 has been accordingly made against Rs 35 for the current year.

X Miscellaneous:- The income derived from this source of Revenue being fluctuating, the increase of Rs 197 noted under this head calls for no remarks.

6 Opening balances.- The figures entered under this head are in accordance with the Supplemental budget except in the cases of J. Narsipur, Sosale, Bannur and Talkad, wherein the provision under ocbrn on both receipt and expenditure sides has been struck out for the reason already set forth in para one supra.

Expenditure.

I Interest on debt.

XI Miscellaneous repayment of loans:-

The provision made under these heads is the same as

as that of the current year

order No. 3212-1/

received.

2. II Head office charges:-
No alterations have been made
under this head.

3. III Collection:-
(a) octroi - the employment
of an additional peon on
Rs 5 per month having been
proposed by the Municipal
Board of Gundlupet, a new
provision of Rs 60 has been
made in the budget of Gundlupet
Municipality under this head.
A seperate reference will

subject has also been submitted to Government. The introduction of octroi into the Municipalities of J. Nardiput, Sozale, Barmor and Lakkad having been postponed for some time longer, the provision under this head has been omitted in the budgets of the respective Municipalities.

(b) House and Miscellaneous taxes – The provision made under this head is in accordance with the instructions contained in Government order No. 12704-13 / d. 7295-96 dated 8th May 1899.

IV Conservancy – The Municipal Board of Chanasma (per house,

per [illegible]

A new provision of Rs 72 has been made in the budget of Kalale for purchasing dust bins and Conservancy carts.

VII Lighting:— The number of lamps in the Chamaraj nagar Municipality having been raised from 326 to 37, the Expenditure under this head has also been raised. A provision

provision of Rs 60 has been made in the budget of Periapatna for purchasing new lamps and lamp posts.

VIII Public Works:— No provision under this head has been made in the budgets of T. Narsipur, Sosale and Mirle for want of funds.

IX Charitable grant:—

A sum of Rs 15 payable by each of the Municipalities of Hunsur, Channarayapatna, Yedatore, Gundlupet and Nanjangud on account of purchase of furniture has been newly provided for (Vide Senior Surgeon's No. 1086-Y dated 7th January 1902.)

2. 1 Octroi. The omission of any estimates under this head in the budgets of T.Narsipur, Sosale, Bannur and Talkad is due to the respective Municipal Boards having considered it advisable to defer the introduction of the Octroi tax into the Municipalities already sanctioned by Government, owing to the prevalence of plague in these towns. The increase proposed in the Budgets of Hunsur, Chamrajnagar, Nanjangud and Saligram is expected from the heavy ~~tax~~ traffic on goods subjected to Octroi. But the cause of the falling off of revenue in Sargur and Gundlopet has not been explained. The omission should be supplied. Pending information, the estimate will stand.

3. vi & viii House and Mohatarfa taxes. No explanation is furnished for the marginally noted variations proposed under these heads, nor are they supported by the actual and probable collections. Pending explanation, which should be submitted, the estimates will stand

4. VIII Rents. The source from which a sum of Rs 24 is newly expected from rents from houses in Chamrajnagar should have been stated. The estimate will not however be disturbed.

5. Opening balance. In lieu of the estimates proposed under this head

correct

correct balances arrived at with reference to the actual balance in favor of each Municipality on ~~first~~ 1st July 1901 and the sanctioned estimates for 1901-02 will be adopted.

6. iii Collection (a) Octroi. No provisions have been made under this head in the Budgets of T Narsipur, Sosale, Bannur and Talkad, as the collection of Octroi in these Municipalities has been postponed ~~for sometime~~, while the budget of Gundlepet provides for an additional Mutsaddi on Rs.5 per mensem. Pending the issue of final orders on a separate reference submitted by the President in regard to the additional Mutsaddi, the provision will be tentatively retained

7. iii Collection (b) House and Mohatarfa taxes The President explains that provisions under this head have been made in accordance with Pro.No.12704-13/ L.F 295-96 dated 8th May 1899. But the amount provided in the budget of Nanjangud is only about two per cent of the estimated revenue from House and Mohatarfa taxes while the correct amount calculated on the authorized rate of 5 per cent which ought to have been entered is Rs.176. The President is therefore requested to state why a separate hand should not be employed for the collection of the taxes, instead of entrusting the collection work to the village servants in the town. Pending information however,

the

the provision will not be disturbed

8. lv Conservancy. The marginally noted increases proposed in the budget of Chamrajnagar are sanctioned and the provisions made therefor approved.

9. Vlll Public Works. The provisions made for supervision charges in certain Municipalities do not correctly represent 10 per cent on the cost of works. They will be modified as shown in the margin.

10. lX Charitable grants. The budgets of Hunsur, Chamrajnagar, Yedatore, Gundlepet and Nanjangud, provide 15 Rs.each on account of furniture for the L.F.Dispensaries situated in those places. It should have been explained whether the amount represents 1/3rd of the charge debitable to Municipal funds. The omission should be supplied.Meanwhile the estimate will be retained.

11. The other items call for no remarks and are passed.

12. The Budget estimates of receipts and expenditure of the several Minor Municipalities in the Mysore District for 1902-03 are sanctioned as shown in the following abstract statement. The particulars are appended

2. *I. Octroi.*—The omission of any estimates under this head in the budgets of T.-Narsipur, Sosale, Bannur and Talkad, is due to the respective Municipal Boards having considered it advisable to defer the introduction of the Octroi tax into the Municipalities already sanctioned by Government owing to the prevalence of plague in these towns. The increase proposed in the budgets of Hunsur, Chamrajnagar, Nanjangud and Saligram is expected from the heavy traffic on goods subjected to Octroi. But the cause of the falling-off of revenue in Sargur and Gundlupet has not been explained. The omission should be supplied. Pending information, the estimates will stand.

3. *II. and VII. House and Mohatarfa taxes.*—No explanation is furnished for the variations noted below proposed under these heads, nor are they supported by the actual and probable collections. Pending explanation, which should be submitted, the estimates will stand :—

4. *VIII. Rents.*—The source from which a sum of Rs. 24 is newly expected from rents, from houses in Chamrajnagar, should have been stated. The estimate will not, however, be disturbed.

5. *Opening Balance.*—In lieu of the estimates proposed under this head, correct balances as arrived at with reference to the actual balance in favor of each Municipality on 1st July 1901 and the sanctioned estimates for 1901-02, will be adopted :—

Local Boards Branch, Municipal Funds, dated 16th August 1902.

EXPENDITURE.

6. *III. Collection (a) Octroi.*—No provisions have been made under this head in the budgets of T.-Narsipur, Sosale, Bannur and Talkad, as the collection of Octroi in these Municipalities has been postponed, while the budget of Gundlupet provides for an additional mutsaddi on Rs. 5 per mensem. Pending the issue of final orders on a separate reference submitted by the President in regard to the additional mutsaddi, the provision will be tentatively retained.

7. *III. Collection (b) House and Mohatarfa Taxes.*—The President explains that provisions under this head have been made in accordance with Proceedings No. 12704-13—L. F. 295-96, dated the 8th May 1899. But the amount provided in the budget of Nanjangud is only about two per cent of the estimated revenue from house and mohatarfa taxes, while the correct amount calculated on the authorized rate of 5 per cent, which ought to have been entered, is Rs. 176. The President is therefore requested to state why a separate hand should not be employed for the collection of the taxes, instead of entrusting the collection work to the village servants in the town. Pending information, however, the provision will not be disturbed.

8. *IV. Conservancy.*—The following increases proposed in the budget of Chamrajnagar are sanctioned and the provisions made therefor approved :—

		Rs.
1.	Chamrajnagar—	
	I. Increase of dafadar's pay from Rs. 8 to 9 per mensem ...	12
	II. Additional sweeper on Rs. 5 per mensem	60
	III. Purchase of dust-bins	56

9. *VIII. Public Works.*—The provisions made for supervision charges in certain Municipalities do not correctly represent 10 per cent on the cost of works. They will be modified as shown below :—

No.	Municipalities.	Proposed.	Sanctioned.
		Rs.	Rs.
1	Chamrajnagar	158	143
2	Yedatore	97	88

5	Saligram	157	131
6	Kalale	120	109
7	Talkad	47	43
	Total ...	702	631

10. *IX. Charitable Grants.*—The budgets of Hunsur, Chamrajnagar, Yedatore, Gundlupet and Nanjangud, provide Rs. 15 each on account of furniture for the Local Fund Dispensaries situated in those places. It should have been explained whether the amount represents 1/3rd of the charge debitable to Municipal Funds. The omission should be supplied. Meanwhile the estimates will be retained.

11. The other items call for no remarks and are passed.

12. The budget estimates of receipts and expenditure of the several Minor Municipalities in the Mysore District for 1902-03, are sanctioned as shown in the following abstract statement. The particulars are appended :—

No.	Municipalities	Estimated opening balance on 1st July 1902	Estimated receipts during 1902-03.	Total including balance	Estimated expenditure for 1902-03	Estimated closing balance on 30th June 1903.

13. It is observed that the balance at the end of the year is less than the prescribed minimum in Nanjangud, Gundlupet, T-Narsipur, Sosale, Mirle and Bannur. Steps should be taken to maintain the usual working balance by effecting savings in the sanctioned allotments, if the actual balances in their favor on 1st July 1902 are not more than the estimates adopted in the present budgets.
